10/25/2024 Bin durch den Film Kate auf euch gekommen. Hab eure Musik im Film gehört und euch gesehen und war sofort begeistert! Respekt! Über euch bin ich dann natürlich auch auf The Warning gestoßen. Euer gemeinsamer Auftritt und das Lied sind der absolute Hammer! 8 extrem starke Rockmusikerinnen aus zwei verschiedenen Bands liefern etwas so grandioses ab! Unglaublich!  
Macht weiter so!

24	@MimMdance BAND-MAID / Choose me (Official Live Video) 4/13/2023 I first heard this song and discovered the band in the Netflix film KATE. The scene had such a nice surround sound that felt as if you were there. Since then I wish for a version where the bassline sounds about twice as loud because it is so clean and mighty, but it is a great song from a supremely talented band overall. 😊	<a href="https://www.youtube.com/watch?v=HcqitbxgigU&amp;lc=UgwOWjdZGIfRLDgtF0V4AaABA">https://www.youtube.com/watch?v=HcqitbxgigU&amp;lc=UgwOWjdZGIfRLDgtF0V4AaABA</a>

9/10/2021	Thanks Nicolas-Troyan. I thought he made very good use of this song in "Kate". Showed what a true fan he is of Band-Maid also with all the details like MISA's whiskey bottle on her amp and listing the ladies in the credits in the order that Band-Maid was formed. (And from another interview he apparently made Miku/Ani tie her shoes with Band-Maid shoelaces?)	
	For those who came from "Kate", don't forget to check out Blooming (car chase scene) and basically every other song in Band-Maid's 100+ song discography. There's also a live version of Choose Me on their YouTube channel!
