Über euch bin ich dann natürlich auch auf The Warning gestoßen. 4/13/2023	I first heard this song and discovered the band in the Netflix film KATE. The scene had such a nice surround sound that felt as if you were there. Since then I wish for a version where the bassline sounds about twice as loud because it is so clean and mighty, but it is a great song from a supremely talented band overall. 😊

313	@weilima9316 BAND-MAID / Choose me (Official Music Video) 9/10/2021 Thanks Nicolas-Troyan. I thought he made very good use of this song in “Kate”.
