8/24/2024 About 4 years ago, I came to this video for Yu-gi-oh Vrains. I became a Maidiac within the month. They are still my favorite band. I thank Band-Maid for doing my favorite Op/Cs Song for any anime and I thank Yu-gi-oh Vrains for allowing me to know this wonderful band!

Meu lado tiete (fã) pula pra fora com um sorriso de orelha a orelha. Parabéns pela conquista. Nunca é fácil conquistar algo e o reconhecimento vem com o tempo. Desfrutem deste momento, dessa conquista alcançada. Mais uma vez, obrigado pelo bom trabalho. Por trazer alegria e empolgação para esse fã e que novas conquistas tornem-se realidade.

1/12/2021	Usually, I'm not into rock music. But I think Band Maid is an exception to that. I first listened to them when they performed the 4th ending to Yugioh VRAINS. I feel like as I listen to more of their music, I'm becoming more engrossed into it.

1/21/2019	1. I'm fine with "Bubble", although i don't get into it. 2. It's not a bad thing for Band-Maid to write commercial songs. In fact, it's very common for J-Rock bands to write a TV drama or anime songs and these commercial songs can promote J-Rock bands, then bring popularity and "money". As long as making enough money, Band-Maid needn't be so busy on writing& practicing new songs, endless tours and eventually, being exhausted in the near future. Taking "Onmyo-Za" band for example. They formed in Osaka, 1999 and their first 5 albums struggled and never reached top 20. Since writing an anime song "Koganinpocho" in 2005, they became much more popular. The sales of later albums were Boosted Up and never went down significantly while their albums still stayed hardcore. Onmyo-Za - Koganinpocho (2005) https://youtu.be/v86m2RdPSo8 3. Band-Maid used to read Vrains and Perfect Crime before. I believe they're glad to be part of these programs to write these commercial songs. As a songwriter, Kanami has to accept some opinions from the producers of Vrains and Perfect Crime. These commercial songs certainly will be poppier. 4. Comparing to other labels, Crown Stone isn't that bad to Band-Maid. Just check "Bridear" band. After signing with Warner Music, Bridear changed to pop rock to gain popularity and that caused their two talented guitarists leave the band seperately in 2017& 2018. If Crown Stone didn't allow Band-Maid go to hard rock, there wouldn't have been "Brand New Maid", "Just Bring it" and "World Domination".

- 11/2/2018 遊戯王VRAINSで初めて聞いた時、すっごく感銘を受けました！まずはBAND-MAIDに感謝を申し上げます！実は自分は日本人ではないので、後半（「何回だって塗り替えてonly glory」から最後まで）の歌詞について聞き分けたい所がいくつかありまして...ファンの皆様、後半の歌詞を教えてくださいませんか？特に、「シンソウをこえて」の「シンソウ」に該当する漢字はなんなのでしょうか？「oooo恐れずgo ahead」について、ooooの部分の歌詞はなんなのでしょうか？
